Kids Are Back in School

- 1. Dropping Off:** Don't load or unload children across the street from the school
- 2. Pedestrians:** Take care to look out for children in school zones, near playgrounds and parks, and in all residential areas
- 3. Buses:** The area 10 feet around a school bus is the most dangerous for children; stop far enough back to allow them space to safely enter and exit the bus

Road Safety

3 Tips to Keep Yourself and Your Family Members Safe:

1. Check your mirrors and set your GPS while still in park
2. Phone in takeout orders before you get behind the wheel
3. Slow down, share the road with pedestrians and bicyclists
