Be Smart, Drive Safe: No reason to fret if you –

1. Put your cell phone away and drive distraction free
2. Buckle up, every seat, every time – even in a ride-share service
3. Drive to conditions and keep your speed down
4. Avoid tailgating and road rage
5. Never drive impaired by alcohol, drugs or when drowsy

- Most crashes involving electronic distraction occur between 4-8 p.m.

- Nearly one-third of fatal crashes are alcohol-related

- 220 or more people not wearing seat belts die on state roads every year
