LOOK TWICE FOR BIKES

Motorcycles are hard to see. Do a double take.

Seven out of every ten crashes between vehicles and motorcycles happen at intersections. Make sure to look, and then look again.

Sharing the Road

1. Look twice for motorcycles entering highways, at intersections and whenever turning or changing lanes
2. Maintain a safe following distance
3. When passing a motorcycle, move to the other lane and allow a full lane for the cyclist

Crash Data: Numbers Don't Add Up

- Motorcycles make up 3% of all registered vehicles and log .6% of all vehicle miles traveled in the U.S.
- Motorcyclists account for 14% of all traffic fatalities
- 28% of riders who die in motorcycle crashes are alcohol-impaired

– 2017 data: National Highway Traffic Safety Administration
